No. 817.—The following notification is republished:—
No. 329.]

[27th May 1910.]

The following new rules have been issued and made by the Indian Immigration Trust Board with the approval of His Excellency the Governor in Council, under the authority of section 116, of Law 25, of 1890:—

1. No employer of labour shall be allowed or entitled to require work from—
 - (1) A pregnant woman during pregnancy after the expiration of seven months of pregnancy, and/or
 - (2) A woman so long as she is the mother of a child under three months of age.

2. Should it appear to any Indian Medical officer (or other medical practitioner engaged by the employer where no medical circle exists) that by reason of pregnancy, it is undesirable that any pregnant woman should work before the expiry of seven months of pregnancy, then such Indian Medical officer (or other medical practitioner engaged by the employer where no medical circle exists) may give written notice to the employer in a printed form as near as may be to the form of the schedule hereto annexed, that such woman is unfit for work, and in the event of any such notice being given to any employer, such employer shall not be allowed or

entitled to require work from such pregnant women during such period as may be fixed by the Medical officer (or other medical practitioners engaged by the employer where no medical nurse exists) giving such notice.

3. During such period as any woman may not be required to work under and in terms of the rule aforesaid, the employer of such woman shall be bound and obliged to provide such woman with food and clothes on the minimum scale provided by the original contract of service between the employer and such woman.

4. Every employer of not less than 25 male adult Indian immigrants is hereby required on or every month to master all Indian women, accompanied by their young children, for examination by the Indian Medical officer. The said examination shall be held at such time and place on the estate or place where the Indians are employed, as the Indian Medical officer may appoint on giving reasonable notice to the employer.

5. The foregoing rules shall not apply to non-indentured women, who elect not to work.

6. Any employer failing to comply with the foregoing rules shall be liable, on conviction, to pay a fine of not exceeding two pounds sterling (£2), and such penalty may be enforced at the instance of the Protector of Indian Immigrants in any Magistrate's Court having jurisdiction.

2. Attention is drawn to the following rules:—

(1) No candidate will be allowed to enter the examination room unless he wears a clean and decent dress, and, in all cases where good manners require it, a suitable covering for the head, nor will he be allowed to keep his shoes on unless they are clean or English pattern, and socks and trousers are worn also.

No candidate suffering from any contagious disease will be admitted to the examination room.

(2) No candidate will be allowed to quit the examination room on any day until the expiration of half an hour from the time fixed for the commencement of the examination, and candidates arriving after the expiration of that half hour will not be admitted.

(3) No candidate will be allowed to re-enter the examination room during the hours of examination after once quitting it, nor to leave the room without finally giving up his answer papers.

(4) Any candidate detected in speaking to, or in any way communicating with, any other candidate will be at once removed from the room, and the circumstances reported to the Commissioners.

(5) Any candidate suspected of having had recourse to malpractice of any kind is liable to have his examination cancelled and also to be debarred from appearing again for any of the examinations under the control of the Commissioners for such term of years as the Commissioners may think fit; or, if the Commissioner is not satisfied as to the truthfulness of his words, he may be required to undergo a re-examination in any one or more of the subjects of the examination for which he appeared.

(6) No candidate will, on any account, be allowed to take into the examination room slates, books, manuscript or papers of any kind. In the case of candidates, however, coming up for the Civil and Criminal Judicial and Revenue Tests, the use of books will be allowed in answering certain question papers. Any one detected in the violation of this rule, or having recourse to any unfair practice, will be removed from the room, and the occurrence reported to the Commissioners.

(7) Candidates whose names are not in the printed list furnished to the Superintendent must submit a written declaration through the Superintendent, giving full particulars as regards to themselves and furnish such evidence as may be possible of their having applied for admission to the examination at the proper time and paid the prescribed fee. The answer papers of such candidates will not be valued unless it is clear that the omission of their names is due to an oversight.

(8) Candidates desiring to change their place of examination without previous permission, or appearing at any centre other than the one at which they ought to have appeared, according to the notice published in the Gazette, must not expect to have their papers valued or their results published. In all cases where permission has been granted, the examination or letter permitting the change should be produced for the satisfaction of the Superintendent.

(9) A candidate having completed his paper will rise from his seat and remain standing until the Superintendent takes his answer papers. Any candidate wishing to ask any question of the Superintendent will pause the same course, but will on no account leave his place.

(10) Any papers sent up without the candidate's name and number affixed will not be valued.

(11) Candidates will not be allowed to take any papers, except their question papers, out of the examination room.

(12) Candidates are forbidden to tear up papers or to throw ink or paper on the floor. All "spoil" signs, etc., should be left on the desk where the candidate has been writing.

ADMISSION OF STUDENTS INTO GOVERNMENT TRAINING SCHOOLS—1931.

The Inspector of Schools, Fourth Circle, hereby notifies for the information of the other Inspectors of Schools, the Assistant Inspectors, the Sub-Assistant Inspectors and the Managers of aided schools that candidates of the Primary and Elementary grades will be admitted for training in January 1931 in the following Government Training Schools under his charge:—

No.	Name of institution.	Number of spaces available.			Total.	Remarks.
		Secondary.	Elementary, Higher.	Elementary, Lower.		
1	Government Training School for Khans, Madras, Madras.	..	8	30	38	
2	Government Training School for Panchamas, Madras.	30	30	
3	Government Training School, Bellary.	..	18	21	49	

2. The Inspector of Schools, Fourth Circle, will make the selection on the recommendation of Inspecting officers.

3. Inspecting officers are requested to forward two lists—one of selected and the other of rejected candidates.

4. The lists of selected and rejected candidates should be forwarded to the Inspector of Schools of the Fourth Circle by the Inspecting officers before the due date. The names of selected candidates should appear in the list in the order in which the Inspecting officers wish they should be taken, i.e., they should be selected in accordance to their general educational attainments, their services as teachers, the training. Candidates who do not satisfy the condition of age limit under rule 114 of the Madras Education Rules should not, except in very special circumstances, be included in the list and the reasons for rejection should be mentioned against each.

5. To provide for the contingency of some of the candidates selected not joining the Training School, a few more than the recommended number will be selected by the Inspector of Schools. All selected, those who present themselves at the Training School on the opening day will be selected, those who present themselves later will be selected in the order in which they present themselves but only up to the number of mentioned vacancies.

6. The list should include no one who has not been a teacher before or concerning whom there is a doubt whether he really intends to make teaching his profession.

7. In the selection of candidates for training next year, those who were awarded stipends this year but were refused admission on account of their not appearing in time might have a first claim for admission.

8. In addition to Provincial stipendaries, candidates whose stipends were paid by Local or Municipal Boards will be selected for training, as also private candidates as free students.

9. As regards qualifications for admission, only those candidates who have passed the normal examination of the third form or seventh standard and have been found fit for promotion to the fourth form or have been awarded an elementary school-teaching certificate of the seventh standard are eligible for admission into the elementary higher class and only those who have passed the late Primary School examination or a corresponding public or school examination or whose attainments in the opinion of the Inspecting officers are not lower than those are eligible for admission into the elementary lower class. Preference should be given, as much as possible, to candidates whose educational statements are above these minimum requirements. The certificate of general education should be sent in original with the application. The certificate of physical fitness need be produced only by the candidate chosen as stipendary. Separate student certificates need not be submitted by candidates whose applications are signed by an Inspecting officer.

10. In cases in which the number of candidates applying for training is in excess of the number for whom there is provision, the selection should be made on the basis of the entrance examination conducted by the Sub-Assistant Inspector of Schools. The number of stipends are finite for each range in the sense as that available last year.

11. Printed forms of applications can be obtained from the Inspector of Schools or from the subordinate Inspecting officers.

12. Applications completed in accordance with the above instructions should reach the Inspector of Schools, Fort St. George, before the 15th October 1910.

13. Admission into Training Schools for Masters under private management will be regulated by rules 5, 10 and 11 in addition to those contained in Chapter X of the Madras Educational Rules.

Office of Inspector of Schools, Fourth Circle,
Madras, 10th September 1910.

A. C. PRINASTHIANA AIVAR,
Inspector of Schools, Fourth Circle.

ADMISSION OF STUDENTS INTO GOVERNMENT TRAINING SCHOOLS—1910.

The Inspector of Schools, Fourth Circle, hereby notifies for the information of the Assistant Inspectors, the Sub-Assistant Inspectors and the Managers of aided schools that candidates of the Elementary grades will be admitted for training in January 1911 in the following Government Training Schools under his charge:—

Serial Number.	Name of Institution.	Number of places available.			Total.	Remarks.

4	Do, Chinnai	10	10	15	35	
5	Do, Gattapalayam	10	10	15	35	

1. The period of training is two years in the case of the students of the Elementary grade, Higher, and two years in the case of the students of the Elementary grade, Lower.

2. The Inspector of Schools, Fourth Circle, will make the selection on the recommendation of Inspecting officers.

3. Inspecting officers are requested to forward two lists—one of selected and the other of rejected candidates.

4. The names of selected candidates should appear in the list in the order in which the subordinate Inspecting officers wish they should be taken, i.e., they should be selected in reference to their general education statements. Their services as teachers, the need for their training and the nature of their appointment and the school from which they apply for training. Candidates who do not satisfy the condition of age limit under rule 11 of the Madras Educational Rules should not, except in very special circumstances, be included in the list, and the selection should be regulated, as far as possible, by rule 11b. In the case of rejected candidates, the reasons for rejection should be mentioned against each.

5. To provide for the contingency of some of the candidates selected not joining the Training School, a few more than the sanctioned number will be selected by the Inspector of Schools for each range. All selected candidates who present themselves at the Training Schools on the opening day will be numbered; those who present themselves later will be admitted in the order in which they present themselves but only up to the number of sanctioned vacancies.

6. The list should include only one who has not been a teacher before or concerning whom there is a doubt whether he really intends to make teaching his profession.

8. In the selection of candidates for training next year, those who were awarded stipends this year but who refused admission on account of their not appearing in time might have a Gut claim for admission.

9. In addition to Provincial stipendiaries, candidates whose stipends are paid by Local or Municipal Boards will be admitted for training, as also persons qualified as free students.

10. As regards qualification for admission, only those candidates who have passed the second examination of third form or seventh standard and have been found fit for promotion to the fourth examination of third form or seventh standard and only those who have passed the late eligible for admission into the elementary higher class and only those who have passed the late Primary School examination or a corresponding public or school examination or whose attainments in the opinion of the Inspecting officers are not lower than those are eligible for admission into the elementary lower class. Preference should be given, as much as possible, to candidates whose educational attainments are above these minimum requirements. The certificates of general education should be sent in original with the application. The certificate of physical fitness need be produced only by the candidates chosen as stipendiaries. Separate student certificates need not be submitted by candidates whose applications are signed by an Inspecting officer.

11. In cases in which the number of candidates applying for training is in excess of the number for whom there is provision, the selection should be made on the basis of an entrance examination suggested by the Sub-Inspector of Schools. The number of stipends available for each group is the same as that furnished in November 1925.

12. Printed forms of applications can be obtained from the Inspector of Schools from and after the 21st September 1926.

13. Applications completed in accordance with the above instructions should reach the undersigned before the 10th October 1926.

14. Admission into Training Schools for students under private management will be regulated by rules 8, 10 and 11 in addition to those contained in Chapter X of the Madras Educational Rules.

Office of the Insp. of Schools, First Circle,
Madras, 24th September 1926.

- (a) Ancient and Modern History and either a Classical Language or Logic.
- (b) Two Languages and either Logic or Ancient or Modern History.
- (c) Logic and either Ancient or Modern History and a Classical Language.

It may prove impossible to allow students taking only one History or a choice between Ancient and Modern History.

I. An applicant will be admitted to study in that group only in the Intermediate class for which his Matriculation results or his Secondary School Leaving Certificate show he is here as eligible.

II. No person will otherwise be admitted who has not been registered as a candidate for admission before the 30th June 1926.

III. Applications for registration shall contain the following particulars:—

- (i) Name in full and age.
- (ii) School or College in which the applicant studied in 1925.
- (iii) His University or Secondary School Leaving Certificate Examination results.
- (iv) His register number in the Matriculation, Secondary School Leaving Certificate or Intermediate Examination.

(v) The class in the Presidency College he desires to join with the group he chooses in the Intermediate class and his language for vernacular composition or for translation, test, or the branch of knowledge in the B.A. course and whether he wishes to take honours.

(vi) An address which will find the applicant after the publication of the results.

None of these groups or classes may be mentioned in the order of choice.

IV. Applications for registration will not be acknowledged unless accompanied by an addressed post card.

Fee.—Fees of application will be furnished to Principals and Head-masters who apply for them.

V. Persons wishing to matriculate on the strength of Secondary School Leaving Certificates must submit their applications with their applications for admission or at the earliest possible later date.

ADMISSIONS OF STUDENTS INTO THE MACLUS VETERINARY COLLEGE

Notice is hereby given that admissions to the Indiana Veterinary College will be made in January

3. Candidates are eligible for admission without distinction of caste or nationality. They must not be under 18 years of age at the commencement of the term for which admission to the College is desired. A good colloquial knowledge of English is essential. Students are admitted to the College by selection which will be made by the Principal. Applications for admission should be made in writing in the prescribed form, copies of which may be obtained from the Principal's office, and they should be submitted as far as possible to the Principal not later than the 31st December next. Passed candidates will be preferred.
4. In the event of a candidate being selected, he will be served with a special notice informing him of the particular day and hour when, and the place at which, he should present himself for personal selection. Candidates when selected will be considered to be on probation for the first two months of the session and may be removed if found to be not satisfactory.
5. Tuition will be free, but a fee of Rs. 2 per term is payable by each student to meet the cost of books. Government endowments also ten scholarships annually, each of the monthly value of Rs. 12 in cash, but amounting in effect to double the number as their value is pecuniary. Scholarships in the first year will be awarded by the Principal on the results of a competitive examination held by him to which only passed men will be eligible. Scholarships awarded in the higher classes are exclusively allotted on the results of the annual examinations. A student already in the enjoyment of a scholarship from a local body or a private person is not eligible to compete for a Government scholarship. All scholarships are conditional on the good behaviour of the holder. Students who are in the enjoyment of the Government scholarships are required to attend the sessions which they have received if they leave the College without sanction or are expelled for misconduct.
6. In consideration of the low tuition fees at the College, graduates will be required to execute an agreement binding themselves to serve Government in the Civil Veterinary Department for at least five years if their streams are dependent on, or bound in Government (the total cost of their university education in view they are willing to serve Government).
7. Graduates of the College are eligible for appointment to the following posts in the Provincial and subordinate services of the Civil Veterinary Department in the Madras Presidency :-
- Three Deputy Superintendents at Rs. 250 per mensem rising by annual increments of Rs. 25 to Rs. 400 per mensem.
- Six Veterinary Inspectors (first grade) at Rs. 180 per mensem rising by annual increments of Rs. 5 to Rs. 220 per mensem.

Source: *Author's calculations*.

First Veterinary Inspectors (second grade) on Rs. 85 per mensem rising by annual increments of Rs. 5 to Rs. 100 per mensem.

Third-class Veterinary Assistants (first grade) on Rs. 35 per mensem rising by annual increments of Rs. 2 to Rs. 40 per mensem.

Fourth Veterinary Assistants (second grade) on Rs. 30 per mensem rising by annual increments of Rs. 5 to Rs. 35.

Seventy-six Veterinary Assistants (third grade) on Rs. 20 per mensem rising by annual increments of Rs. 4 to Rs. 25 per mensem.

Veterinary Assistants when holding independent charge of hospitals and Dispensaries, whether maintained by Government or by Local Boards and Municipalities, will be paid a local allowance of Rs. 10 per mensem each. While so employed they will also be provided with free quarters or granted in lieu thereof a house-rent allowance not exceeding Rs. 5 per mensem.

All the above posts are pensionable. Veterinary graduates have, in addition four prospects of employment as Municipal Health-Inspectors and as Assistants in charge of Veterinary dispensaries established by local bodies, private proprietors and Native States. It will be the duty of the Principal to render all reasonable assistance to passed students in securing suitable employment.

High Court, Madras, 16th October 1940.

In supersession of Regulations Rules 14, 23, 26, 27, 28 and 30 and of the last portion of Regulation Rule 22, published on pages 501—509 of the *Port St. George Gazette*, Part I, dated the 27th May 1930, the following rules, which have been approved by the Governor in Council, are published for general information under the provisions of section 60 of the Indian Registration Act, 1908.

These rules will take effect from the 1st January 1941.

Receipts for Documents and for Fees.

14. (1) A receipt shall be granted for each document presented for registration for each power-of-attorney presented for attestation, and for each model cover deposited and for every fee or fine levied by a registering officer.

An application for transfer of revenue registry presented with a document shall be acknowledged in the receipt for the document.

(2) When the fee consists of several items, each item shall be separately entered both in the receipt and in the counterfoil so as to afford of any overcharge being struck. In the case of copying fees, the number of words shall be entered and, in the case of mileage, the number of miles.

(3a) The register entries shall be made both in the counterfoil and in the receipt, which shall be respectively initialed and signed by the registering officer.

(3b) The receipt for a document shall be handed to the person presenting the document or to his nominee, after obtaining in the counterfoil the signature of the presenter or the undersigned of nomination, and also the signature of the nominee if he can write, for the purpose of comparison when the nominee appears to take back the document.

(4) A separate receipt shall be given for each document even when two or more documents are presented simultaneously by the same person.

(5) If a document is ready for transcription on the day of its presentation, the day and hour when it will be ready for return shall be entered on the receipt. In the case of a document received pending an enquiry or a reference, the day and hour of return shall be intimated to the presenter or his nominee by a separate notice issued on the day when the document becomes ready for transcription. If, however, in the latter case the receipt is produced on the day when the document is ready for transcription and the document cannot be returned on that day, the information may be entered on the receipt itself.

When a document is not ready for return on the date entered on the receipt as in the notice the entry of that day shall, if the receipt or notice is produced before the registering officer, be cancelled and the probable later date on which the document will be ready shall be entered and the initials of the registering officer. Corresponding entries and corrections shall be made in the counterfoil.

(6) A document shall, if possible, be returned on the date of its readiness for registration.

(viii) In order to obtain delivery of a document the person entitled to claim back the same shall produce the receipt, and the registering officer shall thereupon claim his signature to the acknowledgment in the counterfool and return both the document and the receipt of an endorsing to the latter. A person entitled to claim back a document who is the date of its return and is failing to do so. A person entitled to claim back a document who is the date of its return and is failing to do so. A person entitled to claim back a document who is the date of its return and is failing to do so.

(ix) In the event of a receipt being lost, the person who should have produced it may receive the document on an acknowledgment signed by the person who should have produced it, if required by the registering officer, affording his thumb impression thereon.

(x) When a document is to be taken back a document within seven days from the date noted on the receipt as that on which it will be ready for delivery, the signature may be received by the person by whom it was made, by an entry signed by him to that effect in the counterfool.

When a party to a document objects to its being returned to a person in whose favour the receipt has been drawn up, the objection shall not be allowed, unless such party can actually prove the registering officer, that he has applied to a competent court for an injunction to restrain the registering officer from returning the document.

(xi) When an impounded document is received back from the Collector after adjudication of stamp duty, the registering officer shall immediately give notice in writing to the person or to the person authorized to take delivery of the document either to take steps to complete the registration of the document, or to take delivery of the document.

(xii) When proceeding to attend at a person's residence, the receipt book shall not be taken by the registering officer, but the requisite receipt may be detached from the counterfool and taken to the party concerned, the return in the counterfool being made after return of the registering officer to his office. In such a case any application to take delivery of a document shall be situated on a slip which shall be inserted and dated by the registering officer and pasted on to the counterfool.

(xiii) Clauses 14 (iv) to (xii) of the rules do not contemplate the return of a document by post but a document may be so returned if a postmark denotes that convey to be followed and at his own risk, subject to the following conditions:—

(a) The postmark shall sign an endorsement on the counterfool of the receipt authorizing the return of the document by registered post as an address to be specified and shall appear with the return of the document a suitable envelope on which shall be specified the address and to which postage stamps are affixed and sufficient to cover the registration fee, the postage and the fee for obtaining the acknowledgment of the address.

(b) The registering officer shall secure the envelope after making the requisite entries to be made in a register maintained for this purpose.

(c) When the registration of the document has been completed, the registering officer shall endorse the document in the envelope and post it and shall note the fact on the counterfool.

(d) The acknowledgment of the address shall, on receipt, be posted to the counterfool.

(e) At each stage the corresponding entries shall be made in the register referred to in clause (b).

Fee and Fine.

28. It is for the registering officer, who is responsible for laying the fee, to determine in the first instance what fee should be paid. After it has been paid, the proceeding party may, if he is dissatisfied, refer the question to the Registrar who shall, if he thinks there has been an overcharge, order the Sub-Registrar to refund any amount.

If the document is referred to the party, he may make a further reference to the Sub-Registrar. If the document is referred to the party, he may make a further reference to the Sub-Registrar. If the document is referred to the party, he may make a further reference to the Sub-Registrar.

(i) If the amount of registration being refused, any fee at fine which may have been levied shall be refunded except for the commission, maintenance, attendance and travelling allowances, where such several allowances have been made. Such refund shall be made out of the permanent advance of the registering officer and a bill in detail for the adjustment of the refund shall be submitted in the next month.

(ii) Every application for the refund of a fee or a fine shall be lodged in the first instance with the registering officer who levied it, for submission to the examining authority through the proper channel.

(iii) District Registrars may themselves dispose of applications for the refund of fees or fines collected as exact or far work not performed by the department.

29. (a) Whether a document is admitted to registration or not, all fees and fines shall be at once brought to account.

(b) In stations where there is a treasury and the treasury is open, the collections shall be remitted daily to the treasury.

(c) At stations where there is no treasury the fees shall be credited to the nearest treasury at such intervals as may from time to time be provided by the Inspector-General.

(d) In the case of telegraphic transfers which have on each business day during the last three days of the month, the fees collected on those days may be sent on the last of the following month.

(e) A statement to the Treasury shall be accompanied by the officer, book, duly filled up in duplicate, in view to one copy of such challan being retained signed by the treasury officer.

30. (i) A separate statement fee shall be levied on every signature requiring authentication is a power of attorney executed by several persons provided that only one statement fee shall be levied when a person executes a power of attorney both for himself and as guardian or agent of one or more other persons.

(ii) The duplicate or triplicate of the power of attorney presented for authentication shall be treated as a separate power and a separate statement fee levied thereon.

Port Office, Madras,
26th Oct. 1910.

M. W. FAREWELL, Commander, R.N.
Deputy Governor of the Port.

2. The assessment on the said land shall be liable to periodical revision in the same manner as that on ordinary system land, but no portion of the land will at any time be assessed at a rate higher than the appropriate dry, wet, or garden rate for such land under the personal scheme of settlement for the year in which the land is acquired.

3. Government reserves to itself all gold and other minerals, coal, and stone or rock, including or supposed to contain gold or other minerals, and coal known or existing or which may at any time hereafter be discovered on, or, or within the said lands or any part thereof, together with full and free liberty and right of digging, digging and raising by means of any of all means for Government services, exports and works, and all persons duly authorized by Government in and upon the said lands, and survey with or without license and other title, rights, easements, and other mortgages and to work on the said lands and use any engines and machinery for the purpose of searching for, working, getting and carrying away such gold and other minerals and coal and also to sink, drive, make and use upon the said lands, mines, pits, shafts, drains, shafts, shafts, and water-courses, and to use all water which may be lifted or raised from the lands, also to appropriate and use any part of the surface of the said lands for placing thereon the minerals waste, rubbish and other substances got from such mines, and generally to do all such and things necessary or proper for working and getting such gold and other minerals and coal and rendering them marketable, Government paying or reimbursing compensation to the purchaser, his heirs, representatives and assigns for all damages he or they shall sustain by reason of the exercise of such right of way or by the erection and use of any such engines, machinery, or works or the exercise of all or any of such rights.

(4) "The Government also reserves to themselves the rights to control and regulate at their absolute discretion, the collection, retention, and distribution of the water in or under the said lands or any part thereof, of all rivers and streams flowing in natural channels and of natural lakes and ponds as of the water flowing collected, retained or distributed, in, or by any channel or other work constructed at the public expense and in particular to intercept or make material alteration in the quantity, quality, direction, force or temperature of the said water and to cut off, stop and hinder the whole or any portion of the supply of the said water without being liable in any case to pay compensation for so doing."

4. All existing and customary rights of Government and of the public in all existing roads and paths and in the land shall be reserved.

5. All parties having claims on the said lands incompatible with the sale as herein notified are hereby required to prefer their claims on or before the day aforesaid to the undersigned.

The sale will be stopped or postponed as the case may require—

(1) If the applicant fails to deposit the charges for survey and demarcation of the lands where such survey or demarcation is necessary,

(2) If the application has been withdrawn by the applicant and the Collector decides in the public interests not to proceed with the sale,

(3) If the survey and demarcation of the lands have not been completed,

(4) If the sale has been ascertained to be objectionable on public grounds,

(5) If any claim of private ownership or exclusive company or of any other right incompatible with the disposal of the lands under these rules has been preferred and is pending or is established.

The sale will be made subject to the following conditions:—

CONDITIONS OF SALE

1. That the highest bidder above the upset price shall be the purchaser of the lot, and if any dispute arise between two or more bidders at the upset price, the lot shall be immediately put up again at the said proceeding undisturbed by building and waste.

2. That immediately after the lot is knocked down the purchaser thereof shall pay to the Collector or the officer authorized by him to receive the sale a deposit of Rs. 10 per centum in part payment of his purchase-money and shall at the same time sign an acknowledgment in Form Y.

3. That the purchaser shall, within 30 days from the day of sale, pay to the Collector the residue of his purchase-money, and shall thereupon receive a title for the premises in Form Z.

4. That every person desirous of becoming a purchaser is to satisfy himself as to the identity and correct location of the property and the measurement and boundaries of the premises previous to the sale, or, by having the lot knocked down to him, the purchaser thereof shall be held to have waived all objections to any mistakes that may afterwards appear to have been made in the description of the premises, as well as to any other error whatever in the particulars of the property.

5. That if from any cause whatever the purchaser shall not be satisfied by the 30th day from the day of sale, then the purchaser shall pay to the Collector interest at the rate of Rs. 10 per cent. per annum on the residue of his purchase-money from the day of sale until the purchase shall be completed, without prejudice nevertheless to the right of resale reserved by the following condition, provided, however, that the whole of the purchase-money with interest shall be paid within one year from the date of sale.

6. That if the purchaser shall neglect or refuse to comply with the above conditions or any of them, his deposit money shall be forfeited, and retained by Government, and the Government shall be at liberty to sell the lot either by public auction or private contract without the necessity of previously giving a notice to the purchaser; and the Collector, if any, arising from such resale, together with all expenses attending it, shall be made good by the purchaser at the present sale, who shall be negligent or refuse or fail to liquidate damages.

7. That the assessment on the land shall be paid from full 1880, that is, from 1st July 1881.

|---------------------------|--------------------------------------|
| (1) Medicines. | (6) Medical and surgical appliances. |
| (2) Surgical Instruments. | (7) Bandages and |
| (3) Veterinary Stores. | (8) Field equipment. |

to the Medical Store Depot, Madras, in quadruplicate, enclosures and vouchers, as per schedule. Tenders will be opened at that hour in the presence of such of those interested as may choose to attend.

Forms of tender, schedule and particulars regarding the contract can be obtained on application to the Medical Storekeeper to Government, Madras, on payment at the rate of Rs. 1 per set.

Tenders to be represented "Tenders for Medical Stores Supplies" and addressed to the Medical Storekeeper to Government, Madras, and sent to any office by name.

The approval or rejection of tenders rests with the Director-General, Indian Medical Service, who reserves to himself the right of accepting any tender or any item in the tender without awarding the lowest tender will not, of necessity, be accepted.

GENERAL INSTRUCTIONS.

- (1) Offers by telegram will not be accepted.
- (2) Tenders by post-notice must forward tenders post-paid in time to ensure their reaching the Medical Storekeeper's office before the time fixed for receiving tenders. No tenders will be received after the hour named.
- (3) Tenders are required to be signed with their tender Government's preliminary notes or voucher except in emergency cases as a guarantee for a sum calculated at 2 per cent. on the total value of the tender at the tendered rate. In no case shall the amount of tender-money be less than Rs. 10.
- (4) Tender-money will not be accepted as part of the security deposit, unless lodged in Government's name paper.
- (5) No security or deposit which the tenderer may have furnished in connection with a previous contract, or any other account, can be accepted as tender-money.
- (6) No restrictions or conditions should be entered in tenders.
- (7) Dates entered in tenders are to be specified in words as well as in figures, and the "amount" column must also be filled up. Rates should be quoted at an amount per "pound," "pound" or other denomination therein in the schedule, and fractional parts of pence in rates will not be accepted.
- (8) No answers, explanations or alterations will be allowed unless initiated by the tenderer.
- (9) Tenders are issued that applications should not be made for correction or alteration of rates on tenders on grounds such as "arithmetic error," "in error," "wrong calculation," "failure to use correct units," "not quite understanding the requirements," etc. Should they ever be found with any such plea, their validity will be rejected altogether and will not be considered.
- (10) In the event of the party whose tender is accepted failing to take it up, his tender-money will be forfeited to Government.
- (11) Parties tendering are particularly requested to give their address in full.
- (12) Samples of articles, of which patterns are kept, can be seen at the Government Medical Stores, Main Buildings, Madras, and contractors should invariably inspect them before tendering, and all articles supplied must necessarily be of the same quality as the sample.
- (13) Contracts must not be sublet.
- (14) Government's preliminary notes lodged as tender-money or security deposit shall not be returned, over to the Medical Storekeeper to Government, Madras, but shall remain in the possession of the tenderer. Government may appropriate or cancel the notes, authority to that effect being duly entered in the contract or other document executed by the depositor.
- (15) With reference to the stipulations in the preceding paragraph (No. 14), the tenderer must attach a certificate to his schedule, or schedules, to the following effect:—
"I, the tenderer, agree to have the tender-money, if in Government's preliminary notes, refunded to Government in case of my failure to undertake the contract."
- (16) The tender for each item will be provided separately.
- (17) Tenders which do not comply with the above conditions will be rejected.

The Standard Barometer and Thermometer are read at 5 A.M., 10 A.M., 4 P.M. and 8 P.M., and the daily means are obtained by the application of hourly corrections, deduced from twenty years' observations. The index of the Barometer is twenty-five feet above the level of the sea, and the receiver of the Rain Gauge is two feet from the ground. The wind, rain and general weather registered are for the current Civil Day—from midnight to midnight.

The total quantity of rain collected since January 1st to 1907 inches, the average due for the same period being 21.60 inches.

[Part, 4 pica.

AUDIT REPORT OF THE MADRAS AND SOUTHERN NERARUTTA RAILWAY EMPLOYEES' BANK, LIMITED, FOR 1909-1910.

1. *Let to report on the audit of the accounts of the Madras and Southern NERARUTTA Railway Employees' Bank, Limited, in the Madras City, for the so-operative year ending 30th June 1910.*

2. *Members.*—The bank ended the previous year with 345 members. During the year, there were 344 fresh admissions and 25 withdrawals, due to members leaving the Company's service. The number of members at the end of the year was 345.

3. *Share capital.*—The paid-up share capital of the Bank rose from Rs. 2,745 at the beginning of the year to Rs. 2,285 at its close. The subscriptions to the share capital received and paid off during the year were Rs. 2,945 and Rs. 415, respectively.

4. *Borrowings.*—The Bank raised all money required for its use by its own efforts. In addition to Rs. 1,400 outstanding against the Bank on the last day of the previous year, it borrowed Rs. 2,400 and paid off Rs. 2,220 during the year. At the last day of the year under report, there was a loan of Rs. 7,100 outstanding against the Bank. Of this sum, Rs. 1,500 belonged to the Railway Company. The Railway Company was kind enough to advance money to the Bank at cheap rates of interest and to accept repayments in any monthly instalments. The deposits from members bore interest at 4 per cent. per annum and the borrowings from the Railway Company at 5 per cent. per annum.

5. *Interest paid and due.*—The interest paid and due by the Bank on account of its borrowings was as shown below:—

	Rs.	A.	P.
(1) Interest actually paid	124	8	6
(2) Interest earned and pending payment at the end of the year	148	10	0
Total	272	18	6
(3) Deduct interest pending payment at the close of previous year	30	15	4

Therefore the amount debitable to the profit and loss account is 242 3 2

6. *Miscellaneous receipts.*—There was a receipt of Rs. 405-8-0 during the year under this head. Of this amount, the outgoes for collected amounted to Rs. 275.

7. *Loans to members.*—Two hundred and sixty-five loans amounting to Rs. 28,312 were disbursed to members during the year and 125 loans aggregating to Rs. 2,375-2-1 were repaid against them at the beginning of the year. One hundred and forty loans were completely paid off, the amount repaid being Rs. 2,317-15-1. The amount recovered in partial repayment towards loans amounted to Rs. 1,550-3-5. The number and amount of loans pending against members on the last day of the year were therefore 330 and Rs. 14,652-15-4, respectively.

8. *Nearly 50 per cent. of the total number of loans issued during the year were of small sums not exceeding Rs. 50 in value. All the loans disbursed were security loans and they were given for useful purposes. The loan transactions of the Bank during the year were more than twice over those of the previous year.*

6. *Interest on loans.*—The Bank charges interest on its loans to members at 12 per cent per annum. The interest earned by the society during the year was as shown below:—

	Rs.	A.	P.
(a) Actually realised	1,073	4	6
(d) Accrued and pending realisation at the end of the year	128	6	4
Total	1,201	11	10
(e) Defunct unpaid pending realisation at the end of the previous year	85	8	4
Balance	1,104	0	6

10. *Realisations and Contingent charges.*—The expenditure incurred by the Bank under this head during the year amounted to Rs. 17-0-0. The sum was pending payment under this head either at the end of previous year or at the end of the year under report.

11. *Dividend.*—In the previous year's Audit Report it was shown that a sum of Rs. 248-12-8 was available for distribution or holding up according to the discretion of the Directors. Of this amount, the sum ordered to be distributed was Rs. 261-1-4 and that ordered to be carried forward was Rs. 108-8-1. The whole amount of Rs. 265-7-4 ordered to be paid was debited in the cash book as "Dividend paid," and a cheque was issued in favour of the Paymaster of the Railway Company who was requested to distribute the amount among the members. The Paymaster was able to pay Rs. 165-11-4 before the close of the year. The balance of Rs. 78-8-8 was pending payment on the last day of the year. This sum is shown on both sides of the balance sheet, on the assets side, as advance pending recovery from the Paymaster and, on the liabilities side, as dividend pending payment to members.

12. *Adjusting bank—Advance.*—A sum of Rs. 160 was recovered under this head and it was paid off before the close of the year.

Merchandise.—A sum of Rs. 46-12-8 was received to this account during the year. Rs. 37-10-3 was pending payment at the beginning of the year. Deducting from the total the amount paid off, viz., Rs. 18-12-6, the balance pending payment at the end of the year was Rs. 80-12-8.

Support.—A sum of Rs. 8 was recovered during the year and it was pending payment on the last day of the year.

Advance to Paymaster.—Rs. 78-8-8 (credited as paid and pending recovery).

13. *The Reserve fund.*—The total amount of reserve on the last day of the penultimate year was Rs. 81-12-8. Out of the profits of 1908-1909, the society was requested to add Rs. 56-5-11 to the Reserve fund. The total amount of Rs. 138-2-8 stood credited to the Reserve Central Urban Bank, Limited, on the last day of the year.

14. The transactions of the Bank during the year under report were as shown below:—
